

SAGA MONTHLY

OF SIGMA TAU GAMMA FRATERNITY

VOL. 3 | ISSUE 6

JUNE 2018

BE COURAGEOUS, ACCEPT THE CHALLENGE

Summer is a time of celebration. It is a time for vacations, beach trips, and of course, celebrating the anniversary of our favorite fraternity – Sigma Tau Gamma. As we cross another milestone on June 28, we will have 85 chapters, 3,600 undergraduates, and over 61,000 alumni celebrating 98 years of brotherhood.

A lot has changed over the past 98 years, but one thing hasn't, the impact that Sig Tau has had on the lives of thousands of men every day. Noble men who are courageous and do not cover when facing a challenge. Today, Sig Tau challenges you to help build our future.

This challenge isn't just to reach \$98,000 for 98 years. This year's Founders Day Challenge helps young men, from every background and on their own path in life come together, and realize they are a part of something much larger than themselves. This challenge is not for you, this challenge is for future brothers, and will provide them with the

same opportunities and maybe even a few more than you had while growing into a young man.

3 THINGS TO KNOW ABOUT SIG TAU THIS MONTH

1

Last Day to Register for Grand Conclave is Today

Registration closes at midnight tonight. Make sure to [register](#) to attend Grand Conclave Phoenix.

2

Over 350 Brothers Graduated this Year

This academic year, 365 brothers made the transition from undergraduate to alumnus. Congratulations men, we look forward to your continued involvement!

3

Noble Man Hall of Fame Announced

Ten undergraduate men will officially be inducted into the Noble Man Hall of Fame this June at Grand Conclave. Read more about each inductee on the [SAGA Blog](#).

At a teacher's college in rural Missouri, 17 men were courageous enough to accept the challenge ahead of them and set out to create a fraternity with a noble cause, one that would help generations of men after them endeavor forward. Help us keep their flame burning bright and make a gift to this year's Founders Day Challenge.
