April 1 - 3, 2022
Nashville, Tennessee

WELCOME

April 2022

Dear Brother,

Welcome to the **Noble Man Institute**, and congratulations on your recent initiation into Sigma Tau Gamma! You are now included in a noble generation of men. You are also among Sigma Tau Gamma's newest undergraduate members who have committed to participate in this year's program.

In its fifth year Noble Man Institute is the first national education program offered by the Fraternity exclusively for new members and has become the foundational element of Sig Tau's undergraduate member development strategy. This formative experience is the first in a series of unparalleled personal development opportunities for all Sig Taus - giving you every advantage to be a successful citizen, leader, and noble man.

I hope you make the most of your time with one another and leave here on Sunday ready to return to your chapter with a deeper sense of pride and understanding of your membership in our storied fraternity. While attending the institute, you will quickly form new and lasting friendships with brothers across the nation from our 67 chapters. Like your chapter experience, these relationships will foster a lifetime of connection, so make the most of this opportunity and commit to stepping out of your comfort zone and routine.

It is no secret that Sig Tau serves as the collegiate example of Learning, Integrity, Excellence, Leadership, Citizenship, and Brotherhood. Your participation this weekend and what you take back to your chapter will help us move one step closer to be a fraternity of courageous and noble gentlemen who always endeavor forward; both on your campus and across the nation.

I am excited to see your photos, hear your stories, and connect with you at future events, including Grand Conclave on June 23 - 26 in Kansas City, MO!

You are among the leaders that will impact this organization as we embark on the future of Sig Tau, and I am cheering for you, always.

Fraternally,

Jim Johnston, *Carnegie Mellon*
40th National President of
Sigma Tau Gamma Fraternity

What is the Azure and White Club?

The Azure and White Club is Sigma Tau Gamma Foundation's annual giving program exclusively for associate and initiated undergraduates of the fraternity. This club allows undergraduates to learn and be a part of the Foundation in a unique way while providing charitable gifts to the Foundation. The funds generated work directly towards leadership programs and other resources that are solely for the use of our undergraduate members. The deadline to join The Azure and White Club is June 30 of each year.

How Do I Join The Azure and White Club?

Any undergraduate who gives a gift of \$19.20 or more to the Sigma Tau Gamma Foundation is a member of the Club for the year. Gifts can be made today, online at SigTau.org, or through the mail at the Sigma Tau Gamma Foundation, Gift Processing Center at P.O. Box 2187 Columbus, GA 31902-2187.

Why Does the Azure and White Club Exist?

The Azure and White Club directly benefits today's undergraduate members since the gifts generated fund the unmatched leadership opportunities that our undergraduates receive each year. The Azure and White Club creates a unique way for undergraduate Sig Taus to begin building their path into the House of Trotter Lifetime Giving Society. The House of Trotter Giving Society is made up of donors of alumni, family and friends.

MEMBER SAFETY AND WELLNESS POLICY

All college chapters are responsible for annually instructing their members and associate members about this Member Safety and Wellness Policy.

ALCOHOL AND DRUGS

1. The possession, use and/or consumption of alcoholic beverages, while on chapter premises, during an official Fraternity event, or in any situation or setting sponsored or endorsed by the chapter, must be in compliance with any and all applicable laws of your state, county, and city. No person under the legal drinking age may possess, consume, provide or be provided alcoholic beverages.
2. The sale of alcohol, by any chapter is prohibited. This prohibition includes any action that is a functional substitute for the sale of alcohol such as: charging for admission to parties, passing the hat, selling empty cups, or selling drink tickets.
3. Alcoholic beverages may not be purchased with chapter funds. Nor, may the purchase of alcoholic beverages be undertaken or coordinated by any member in the name of or on behalf of the chapter. Alcoholic beverages must not be purchased with chapter/organizational funds or funds pooled by members or guests (e.g., admission fees, cover fees, collecting funds through digital apps, etc.).
4. Chapter events may not involve the use of bulk quantities of alcohol, kegs of beer or any common source container of alcohol. Common sources of alcohol, including bulk quantities, which are not being served by a licensed and insured third party vendor, are prohibited (i.e., amounts of alcohol greater than what a reasonable person should consume over the duration of an event).

Alcoholic beverages must either be:

- a. Provided and sold on a per-drink basis by a licensed and insured third-party vendor (e.g., restaurant, bar, caterer, etc.); or
- b. Brought by individual members and guests through a bring your own beverage ("BYOB") system.

The presence of alcohol products above 15% alcohol by volume ("ABV") is prohibited on any chapter/organization premises or at any event, except when served by a licensed and insured third-party vendor.

5. Any legal use of alcohol by members or guests should not permit, encourage, coerce, glorify or participate in the encouragement of rapid consumption, drinking games, or the direct or indirect pressuring of any person to consume alcohol.
6. No chapter shall sponsor open parties, meaning those with unrestricted access and without specific invitation, where alcohol is present. Attendance by non-members at any event where alcohol is present must be by invitation only, and the chapter/organization must utilize a guest list system. Attendance at events with alcohol is limited to a 3:1 maximum guest-to-member ratio and must not exceed local fire or building code capacity of the chapter/organizational premises or host venue.
7. Any event or activity related to the new member joining process (e.g., recruitment, intake, rush, etc.) must be substance free. No alcohol or drugs may be present if the event or activity is related to new member activities, meetings, or initiation into an organization, including but not limited to "bid night," "big/little" events or activities, "family" events or activities, and any ritual or ceremony.

MEMBER SAFETY AND WELLNESS POLICY

A chapter/organization must not co-host or co-sponsor, or in any way participate in, an activity or event with another group or entity that purchases or provides alcohol.

9. Members and their guests must follow the federal law regarding illegal drugs and controlled substances. No person may possess, use, provide, distribute, sell, and/or manufacture illegal drugs or other controlled substances while on chapter/organizational premises or at any activity or event sponsored or endorsed by the chapter/organization.
