Proposal No. 22.09

An update to the Fee Schedule of the Fraternity.

The Constitution and Laws Committee hereby recommends that the House of Delegates adopt the attached updated Schedule of Fees for the Fraternity.

The Committee also advises that the Question of Approving the Schedule of Fees must be, and hereby is, Divided. Pursuant to Law VIII, Section 5, Alumni Associations have the same voting privileges as other delegates “other than on issues of undergraduate fees and dues.” Accordingly, the Collegiate Schedule of Fees must be considered separately from the Alumni Association Schedule of Fees and the Grand Conclave Fine Schedule.

Note on rationale for this legislation:

The House of Delegates has a duty to periodically update the Schedule of Fees for the Fraternity, and should do so in advance of the current schedule’s expiration.

In order to address possible inflation, beginning July 1, 2024, the increase in initiation fees and semester dues will be tied to the Consumer Price Index.

A Fine Schedule is also added to this proposal. Should the proposal to increase the Grand Conclave Fine not pass, this provision will not be considered. Should the proposal to add an Off-Year Meeting Fine not pass, this provision will not be considered.

This legislation was originally proposed by the Board of Directors.

This question is being divided. Passage of Schedule of Fees for Collegiate Members requires a simple majority vote of the House of Delegates, excluding Alumni Associations, who are not entitled to vote and shall not be counted in the number necessary to pass this legislation. Passage of Schedule of Fees for Alumni Associations and the Fine Schedules requires a simple majority vote of the House of Delegates.
