## GAMMA TAU CHAPTER CELEBRATES 50 YEARS OF BROTHERHOOD

VOL. 6 | ISSUE 5

MAY 2022

**Being an active chapter on a campus for 50 continuous years is no simple feat. You have to recruit, semester after semester, you have to make sure you are a valued part of the campus community, and you have to stayed involved at the local, regional, and national level. On May 6, the Gamma Tau Chapter at Millersville University accomplished just that.**

What better way to celebrate 50 years of brotherhood than with a reception bringing back brothers from every

decade? Several alumni for the Gamma Tau Chapter started planning nearly 18 months ago, and wanted to make the event an unforgettable experience.

"We had 120 brothers and 165 total attend," Gamma Tau Brother Will McGrorty, Millersville said. "It was a group effort to make this happen. It was huge to have guys like Rich Nickel, Millersville; Richard Howley, Millersville; Steve Junkin, Millersville; and Paul McNamara, Millersville helping plan it."

The event was held at the Marriott in Lancaster, PA and provided the perfect backdrop for the event.

### THREE THINGS TO KNOW ABOUT SIG TAU THIS MONTH

**"Downtown Lancaster is thriving and people are comfortable traveling again. It was a great, safe space and is just a few miles from campus."**

Speakers included undergraduate brother Dustin Horne, Millersville; Millersville University President Daniel A. Wubah, PH.D., and 35th Sigma Tau Gamma National President Richard Harguindeguy, Northland.

**"Having them speak gave the whole event credibility, and showed the value of Fraternity these days. We have 50 people who were asking to start to plan the 60th reunion and anniversary, so I hope our momentum will continue to grow."**
