Proposal No. 24.01

Proposed amendment to the Constitution related to the deadline for submitting amendments.

The Constitution and Laws Committee hereby recommends that the following amendment be made to the Constitution of the Fraternity (deletions in strike through; additions underlined):

To amend ARTICLE XII, Section 1, paragraph C as follows:

- C. Amendment Deadline: An amendment proposal with the exact wording of the Amendment and the names of the proponents must be received by the Chief Executive Officer ~~ninety (90) days before the start of the House of Delegates biennium meeting.~~ by April 1st, or the next regular business day if that day falls on a weekend or holiday, of the year of the House of Delegates meeting.

Note on rationale for this legislation:

There is a proposed amendment to the Laws to establish the deadline for submitting amendments to the Laws at April 1 (or the next business day thereafter) in the year of the House of Delegates meeting in order to be included with the call. The purpose of this is to make the deadline for submitting amendments to the Constitution the same date as the deadline for submitting amendments to the Laws, which presently it is not.

This legislation was originally proposed by the Board of Directors.

Passage of this legislation requires an affirmative three-quarters vote of the House of Delegates.

Ten minutes have been allocated for the discussion of Proposal 24.01.
