To Whom It May Concern:

The gentleman presenting this letter to you has been invited to play an important role as an undergraduate participant at an upcoming leadership development program for Sigma Tau Gamma Fraternity. **Noble Man Institute** is purely developmental in nature. As a national event, the gentleman presenting this letter will be attending Noble Man Institute **November 15 - 17, 2024, at YMCA Camp Widjiwagan in Antioch, TN.**

Based on *The Student Leadership Challenge*, this retreat will allow our members to fine-tune their leadership skills while networking with other students and alumni from across the nation.

I ask for your understanding and flexibility as the gentleman will miss class so that he can participate in this program. He will bring his absence to your attention before the Institute takes place and will work to compensate for missed class time.

Sigma Tau Gamma recognizes that our members are students, first and foremost. We work to provide "*outside the classroom*" development that enables each member to contribute in class and in society while performing beyond expectations.

Should you have further questions, please do not hesitate to reach out to me at (317) 644-1920 or noblemen@sigtau.org.

Thank you,
