To Whom It May Concern:

The student presenting this letter has been selected to participate in an upcoming leadership development program hosted by Sigma Tau Gamma Fraternity. **Noble Man Institute** is a national, developmental event designed to strengthen leadership skills and foster connections among undergraduate members and alumni across the country.

This year, Noble Man Institute will be held **November 7–9, 2025**, at **YMCA Camp Widjiwagan in Antioch, Tennessee**. Grounded in *The Student Leadership Challenge*, the program provides participants the opportunity to enhance their leadership abilities while engaging in meaningful dialogue and networking experiences.

We respectfully ask for your understanding and flexibility, as the student will need to be absent from class during these dates in order to attend. He will notify you in advance and make every effort to remain current with classwork and assignments.

Sigma Tau Gamma recognizes that our members are students first. Our mission is to provide transformational, “outside the classroom” opportunities that support academic success while preparing members to thrive as leaders in their communities and professions.

If you have any questions, please do not hesitate to contact me at (317) 644-1920 or [noblemen@sigttau.org](mailto:noblemen@sigttau.org)
