SIGMA TAU GAMMA FRATERNITY

## JANUARY SAGA BLOG RECAP

VOL. 9 | ISSUE 1 JANUARY 2026

Leadership development is a crucial part of Sigma Tau Gamma, and the 2026 Earl A. Webb Academy of Principled Leaders was a powerful reminder of what's possible when brothers come together with a shared purpose. From January 9-11, 2026, nearly 200 undergraduate leaders and alumni facilitators gathered to grow, learn, and prepare to lead their chapters with integrity.

Spring recruitment isn't something that begins later in the semester—it's happening right now. As Noble Men return to campus and potential new members settle into their spring semester, chapters have an opportunity to make meaningful connections early. Every new member strengthens the brotherhood, sustains chapter operations, and ensures that Sig Tau continues to grow for generations to come.

## FROM THE ARCHIVES

This month, we highlight the Zeta Beta Chapter at the University of Cincinnati. Founded in 2013 by 27 undergraduate students, the group was officially chartered as the Zeta Beta Chapter in 2016. What began as a gathering of men who had never met soon developed into a strong brotherhood united by the principles of Sigma Tau Gamma. Their chartering petition was approved on January 23, 2016, with 43 Noble Men. This month, the chapter celebrates a decade of brotherhood!
