

Pursuant to the Laws, the Board of Directors proposes the House of Delegates establishes the following fee schedule for Alumni Associations and Alumni Chapters:

Alumni Association and Alumni Chapter	Annual Registration and Insurance Fee
July 1, 2028 – June 30, 2029	\$300
July 1, 2029 – June 30, 2030	\$300
July 1, 2030 – June 30, 2031	\$315
July 1, 2031 – June 30, 2032	\$315
July 1, 2032 – June 30, 2033	\$330
July 1, 2033 – June 30, 2034	\$330
July 1, 2034 – June 30, 2035	\$345
July 1, 2035 – June 30, 2036	\$345

Alumni associations and alumni chapters shall pay an annual registration fee that entitles them to coverage under the Fraternity’s general liability insurance policy.

Whereas alumni associations and alumni chapters are critical to the successful operation of chapters and give alumni a structured environment for brotherhood,

And whereas, the protection of personal contact information of our members is an important expectation, Resolved:

To encourage the creation and registration of alumni associations and alumni chapters, only those registered shall have access to membership lists or similar resources from the Fraternity, except when requested for the purpose of establishing a registered alumni association or alumni chapter. To further incentivize registration, the Sigma Tau Gamma Foundation is encouraged to establish rules that allow only registered alumni associations to use Chapter Funds to establish scholarships or approve grant requests.

Rationale:

- Every few meetings, the House of Delegates must establish dues and fees for future dates in advance of the expiration of the previous resolution; it is important to set these amounts in advance for Fraternity planning.
- The Laws prescribe registered Alumni Associations and Alumni Chapters receive coverage under our liability policy, therefore, it is proposed to create a single registration fee that encompasses registration and insurance and not separate fees as has been collected in the past.
