

Pursuant to the Laws, the Board of Directors proposes the House of Delegates establishes the following fee schedule:

Chapter Fees	Association Fee	Initiation Fee	Semester Dues
July 1, 2028 – June 30, 2029	\$75	\$360	\$180
July 1, 2029 – June 30, 2030	\$75	\$370	\$185
July 1, 2030 – June 30, 2031	\$75	\$380	\$190
July 1, 2031 – June 30, 2032	\$75	\$390	\$195
July 1, 2032 – June 30, 2033	\$75	\$400	\$200
July 1, 2033 – June 30, 2034	\$75	\$410	\$205
July 1, 2034 – June 30, 2035	\$75	\$420	\$210
July 1, 2035 – June 30, 2036	\$75	\$430	\$215

In any year where the Fraternity achieves established revenue, expense, and recruitment targets as established by the Board of Directors in the budget, the Board may elect to delay any of the above increases for one year. When such action is taken, the fee schedule above shall be adjusted with new dates and a note appended clearly indicating the delay and the updated policy shall be published. There shall be no limit to the number of years the Board may take this action.

Beyond these dates, all amounts shall increase at a rate of 5% rounded to the nearest multiple of \$5, annually until a new resolution is passed. The Board of Directors shall have the same authority to delay these increases.

Rationale:

- Every few meetings, the House of Delegates must establish dues and fees for future dates in advance of the expiration of the previous resolution; it is important to set these amounts in advance for chapter and Fraternity planning.
- No substantial change (beyond inflation) has been made to dues in decades and no substantial change (beyond inflation) is recommended at this time.
- Alumni Initiation Fee shall be the same as the Initiation Fee.

Note:

Law 3 prohibits Alumni Association and Alumni Chapter Delegates from voting on undergraduate fees and dues, therefore Chapter delegates, Past Presidents, Board of Directors, and Society of Seventeen delegates are eligible to vote on this Resolution.
