

SIGMA TAU GAMMA CHAPTER STANDARDS 2026-2027

v. 2026.06.11

To be a GOOD CHAPTER, a chapter must achieve all criteria in the good category. To be a GREAT CHAPTER, a chapter must achieve all criteria in the great category. Every chapter that achieves the GOOD and GREAT standard is recognized. Good chapters qualify for awards; Great chapters qualify for the McCune.

WHAT ARE THE GOOD CHAPTER CRITERIA?	WHAT ARE THE GREAT CHAPTER CRITERIA?
Minimum Expectations, Associate Chapter Criteria, Awards Eligible	Encouraging Excellence, Chartering Criteria, McCune Eligible

BACKGROUND AND RATIONALE

The Sigma Tau Gamma Chapter Standards are designed to ensure that a chapter continues to improve year-over-year. The previous Chapter Standards, while setting benchmarks that chapters needed to achieve, did not assist with operational growth and improved performance. This program is designed to help chapters achieve more, not just track their current performance. Staff and volunteer coaching will be based on this program. It was developed in consultation with students to ensure the expectations are a true definition of a Great Chapter.

HOW IT WORKS

This document will be managed monthly by your Fraternity Headquarters staff liaison. Each chapter's executive cabinet is expected to meet monthly with their liaison to review progress and provide documentation. You will be asked to assist with providing documentation. At the conclusion of each meeting, your liaison will send your executive cabinet and advisors a PDF copy of the updated document so that you may track your chapter's progress throughout the year. This will also help with the mid-year officer election transitions. These meetings will take place from June – April.

CHAPTER AWARDS

Chapters must achieve all criteria for a Good Chapter to be eligible for various chapter awards. To be eligible for the Edward H. McCune Chapter of the Year Award, a chapter must achieve all criteria for a Great Chapter. This system is not based on points or percentages. Chapters who meet all Great Chapter criteria will be given an opportunity to apply for the McCune Award.
